## 

1	Joint Statement: Plaintiffs and Defendant Apple Inc. ("Apple") (collectively, "th
2	Parties") have been working diligently to reach agreement on a protocol to govern discovery of
3	electronically stored information ("ESI") in the above-captioned actions ("ESI Protocol"). The
4	Parties were able to reach agreement on every aspect of the ESI Protocol except for one section
5	(Section 5.I, "Redactions"). Enclosed is a copy of the draft ESI Protocol as otherwise agreed by
6	the Parties. The Parties are continuing to discuss a potential resolution to the Redactions
7	provision, and have agreed that they will either reach agreement on the provision by close of
8	business on October 28, 2020 and resubmit an agreed ESI Protocol to the Court, or, if the Parties
9	cannot reach agreement, will submit competing ESI Protocols and a joint statement reflecting the
10	Parties' respective positions at that time.
11	Separately, the Parties are also continuing to meet and confer regarding validation
12	procedures to test the sufficiency and accuracy of the Parties' productions. The Parties have
13	agreed that they will either (i) reach agreement on validation procedures by November 9, 2020, or
14	(ii) if the Parties cannot reach agreement, submit any outstanding issues in a joint statement to
15	Magistrate Judge Hixson by November 9, 2020.
